Earn Rewards with the Jackson City County Credit Union VISA Platinum Preferred!

It's time to take charge with VISA. We offer a better card because our VISA saves you money. Here's how:

- Other financial institutions charge upwards of \$25 a year for the "privilege" of their credit cards. We offer a NO ANNUAL FEE to our members.
- We offer a low, competitive interest rate on VISA Platinum of 12.9% APR and VISA Platinum Preferred of 9.99% APR on all purchases.
- Our grace period gives you 25 comfortable days to pay, from the date of billing, before charging any interest on new balances.
- There are no transaction fees.
- No need to mail your payment, make it online or stop by and pay it in our lobby.

We offer you the opportunity to transfer balances from your other high-interest credit cards to your new low interest Jackson City County Credit Union VISA.

VISA Platinum Preferred allows you the opportunity to earn reward points. The more you use your card, the more points you earn, then choose your reward. There are even opportunities to earn BONUS points. APPLY TODAY!
